At 8:00 p.m., the Town Board was scheduled to hold a Public Hearing to hear all interested persons upon the proposed rezone petition of James Zimmer and Hugh Allen for property situated on Riemers Avenue from a R1 to R2.

The Town Attorney reported that the legal notice calling a public hearing on this matter for this evening, contained an error, namely specifying the date of this hearing as July 19, 1989 instead of as intended this evening of July 17, 1989. He further reported that a resolution has been prefilled calling for a new public Hearing on August 7, 1989.

Since there were persons present in the audience, including the petitioners who in good faith came this evening to express their views on this matter, the Supervisor announced that the Town Board would take informal comments this evening from all who wished to be heard on the proposed rezone. The following persons spoke on the proposed rezone:
